पर्यावरणनाशेन, नश्यन्ति सर्वजन्तवः ।
पवनः दुष्टतां याति, प्रकृतिर्विकृतायते ।।

मां पृथ्वी की हम संतान हैं, लेकिन हमने मां से केवल लिया ही है। आज मां की करुण पुकार जरा सुनो और अप्रयोज्य/अनुपयोगी पर्यावरण के लिए घातक वस्तुओं को **Green Art** में परिवर्तित करें। मां के भार को कम करें । आइये **Sustainable Art** के माध्यम से प्रकृति संरक्षण के प्रति संवेदनशील बनें, समाज को जागरूक करें। केवल विकास नहीं सतत विकास की ओर अग्रज हों।

ABOUT THE COURSE

In today's world, where environmental conservation is crucial, **Green Art** and **Eco-Creation** offer a sustainable way to express creativity. Through the power of creativity, we can **Reclaim** discarded materials, **Re-imagine** their purpose, **Re-invent** them into meaningful works of art. Turning waste into art is more than just a creative process, it's a commitment to protecting our **Mother Earth** by reimagining waste as a valuable resource. This course explores the art of crafting beautiful and functional items using recycled paper, fabric scraps, natural materials. Participants will learn **Mask making, Paper Mache Art (Painting, Sculpture, Pottery), paper beadwork, Frame & Basket weaving** and traditional **Wasli** paper making. This add on course will not only enhance creativity but also promote sustainability and self-employment opportunities.
